

This Week from the Mayor

AUGUST 3, 2017

VOL. II, NO. 25

The Mayor talks with Renton Police Commander Kevin Keyes at National Night Out.

Police, community partnership is vital

I was very pleased to

see a strong turnout

at Tuesday's National

Night Out. This despite

our recent wave of hot

weather.

National Night Out was

started over 30 years ago

to get neighbors out of

their houses to discuss

common problems

and get to know one

another better. The

belief was if we get to

know our neighbors

on a more substantial

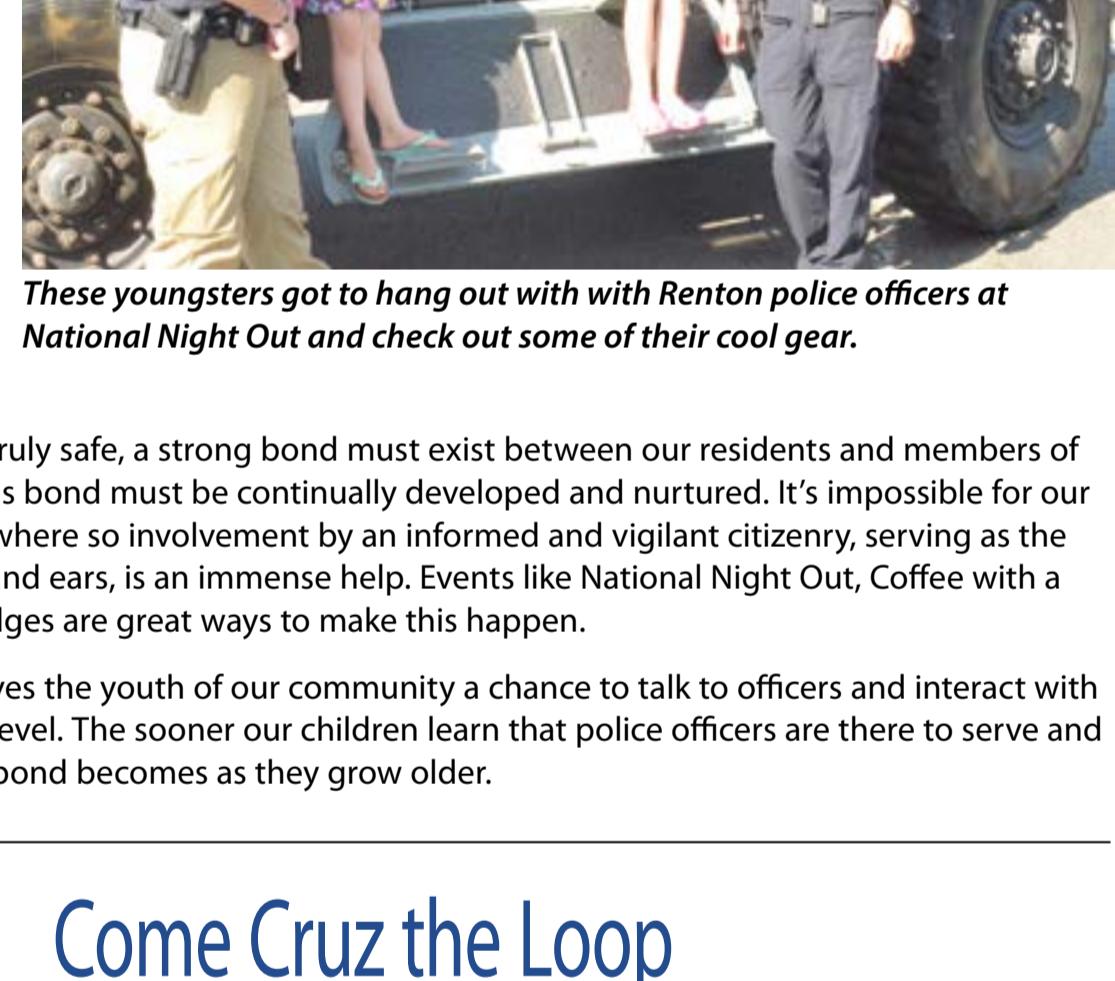

level, we're more likely

to notice and report

suspicious activities in

our neighborhood to the

police.

These youngsters got to hang out with Renton police officers at National Night Out and check out some of their cool gear.

For our community to be truly safe, a strong bond must exist between our residents and members of our police department. This bond must be continually developed and nurtured. It's impossible for our police officers to be everywhere so involvement by an informed and vigilant citizenry, serving as the police department's eyes and ears, is an immense help. Events like National Night Out, Coffee with a Cop, and BBQ with the Badges are great ways to make this happen.

National Night Out also gives the youth of our community a chance to talk to officers and interact with them on a more personal level. The sooner our children learn that police officers are there to serve and protect, the stronger that bond becomes as they grow older.

Come Cruz the Loop

Almost every week during the summer we host a community activity in Renton.

These range from the large - Farmers

Market, Fabulous 4th of July & Renton

River Days - to one-day events - Ivar's

Family Fun & Films and Kidd Valley

Summer Concerts. That's not by accident,

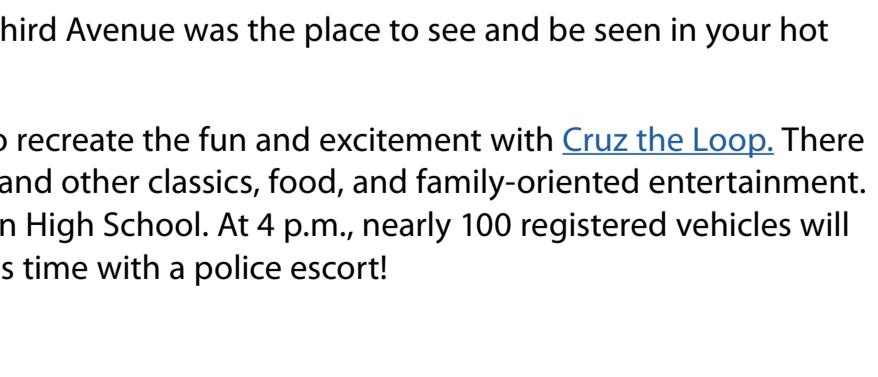

it's all part of inviting the community to

sample the very best of Renton.

One of our upcoming events fulfills a long-time dream of mine: recreating the fun and festive nature of cruising the Renton Loop. I admit that I joined people from all over the region to cruise the loop years ago. Most of us are familiar with the movie *American Graffiti*; "The Loop" was Renton's version (minus Wolfman Jack). Legend has it they could have filmed the movie here instead of California. Think about the similarities: the cars were hot, the A&W on Rainier Avenue (Mel's Drive-In?) was a major meeting place and Third Avenue was the place to see and be seen in your hot rod. It was Americana at its best.

On August 19, we're going to do our best to recreate the fun and excitement with [Cruz the Loop](#). There will be bands playing hits from the Beatles and other classics, food, and family-oriented entertainment. That all takes place from 12-4 p.m. at Renton High School. At 4 p.m., nearly 100 registered vehicles will have the opportunity to cruise the loop, this time with a police escort!
