City of Renton Community Open House for Lake Washington Loop Trail

March 2, 2016

For more information contact:

James Wilhoit, Project Manager, Transportation Design, 425-430-6615

Public information session about trail construction

WHAT: The City of Renton will host a Community Open House for the Lake Washington Loop Trail Project to provide information about trail construction. The project, planned for 2017, will continue the existing bicycle/pedestrian trail from north of the Cedar River Bridge on Logan Avenue N across the bridge onto Airport Way. A later stage will continue around the corner onto Rainier Avenue N as part of the next phase of Rainier construction. At some future time the trail will be completed to the north City Limits near the north end of the Airport. The project is currently under design by OTAK, Inc. of Redmond, Washington

WHEN: Tuesday, March 8, 2016
6:00pm to 8:00pm

WHERE : Renton Senior Center, 211 Burnett Ave N 425-430-6633
