## Emergency Preparedness in Renton

March 28, 2016

For more information contact:

**Mindi Mattson**, Emergency Management Coordinator, 425-430-7041

**Preeti Shridhar**, Deputy Public Affairs Administrator, 425-430-6569

### Special Showing of Documentary on Local Earthquake Risk

**WHAT:** The City of Renton Office of Emergency Management is committed to getting Renton ready for anything. From household preparedness to region-wide coordinated exercises, Emergency Management is working to prepare for the worst disasters Renton could face.

Join Renton Emergency Management in partnership with Meaningful Movies of Renton for a showing of the documentary, "Cascadia: The Hidden Fire". The film shares extraordinary seismic events and discoveries around the world, provides an education on current earthquake risk, and explains the geology of our Cascadia Region and what a big earthquake could look like in the future. A community discussion on seismic preparedness in Renton will follow the film.

**WHEN:** Tuesday, April 5, 6:30pm

**WHERE :** CARCO Theatre  
1717 SE Maple Valley Hwy, Renton WA 98057  
425-430-6633

**Cost:** This is a free event, though donations are encouraged to help support Meaningful Movies of Renton.
