

STORMWATER ADJUSTMENT REQUEST APPLICATION

Published: 2/1/2018

1. Submit the completed Stormwater Adjustment Request Application form.
2. Submit sufficient documentation in order for the City to evaluate the request, including, but not limited to:
 - Electronic Copy of the Adjustment Request Justification – A written statement separately addressing and justifying each of the issues to be considered by the City. The burden of proof as to the appropriateness of the adjustment request lies with the applicant. Criteria for granting adjustments are outlined in detail in Section 1.4.2 of the City of Renton Surface Water Design Manual (RSWDM).
 - Electronic Copy of all Plans and supporting reports and studies applicable to the adjustment request.
 - Draft Electronic copy of any easements and/or Declarations of Covenants.
 - Electronic Copy of the Maintenance and Operations information for the proposed Stormwater Facilities.
3. Pay all Stormwater Adjustment Review Fees. Multiple Stormwater Adjustments can be requested in a single Application; however, a separate fee is applied to each Adjustment. Reference the current City of Renton Fee Schedule for the current Stormwater Adjustment Review Fees.
4. Upon determination of a successful and complete application, the City will review and either approve or deny the adjustment request.

Note: Requests for standard adjustments will be accepted only for permits pending approval or approved permits that have not yet expired.
