SUB-CONTRACTOR INFORMATION FORM

If you are hiring a sub-contractor to perform work at your residence, please complete the information below and include it with your application. If a sub-contractor does not have a City of Renton Business license, they will need to obtain one. Business Licensing can be found [here](#). Homeowners can be their own general contractor, however, they cannot perform the electrical work themselves unless they fill out the [Home Owner Electrical Affidavit Form](#).
