

PUBLIC NOTICE

CITY OF RENTON

City of Renton, Surface Water, Ken Srilofung, 1055 S Grady Way Fl 5 Renton, WA 98057-3232, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit.

The proposed project, Renton Downtown Utility Improvement Project, is located in the City of Renton, WA, primarily on S 2nd Street and S 3rd Street, including several cross streets, as defined per the following:

- S 2nd St, between Rainier Ave S and the Cedar River
- S 3rd St, between Hardie Ave SW and Burnett Ave S
- Lake Ave S, between S 2nd St and S Tobin St
- Shattuck Ave S, between S 2nd St and S 4th Pl
- Whitworth Ave S, between S 2nd St and S 3rd St
- Morris Ave S, between S 2nd St and S 3rd St
- Smithers Ave S, between S 3rd St and S 4th St
- Burnett Ave S at the intersection of S 2nd St
- Mill Ave S, between Bronson Way S and S 3rd St
- Sanitary sewer easements that connect to sewer mains in S 2nd St and S 3rd St

This project involves 6.5 acres of existing asphalt disturbance for Utilities construction activities.

The receiving waterbodies are Cedar River and the Black River.

Any persons desiring to present their views to the Washington State Department of Ecology regarding this Application, or interested in Ecology's action on this Application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320.

Comments can be submitted to:
